General Profile:

Formerly doing business as Presence Telecare, Inc., since 2011 Presence Learning has provided speech language pathology (SLP) services to school districts via interactive videoconference, or telepractice, with integrated therapy materials and curriculum. Anchored in work - in part SBIR-funded by DoEd - the firm is enabling live online speech therapy services for K-12 students and online occupational services, PresenceLearning, Inc. offers schools web-based access to a nationwide network of licensed clinicians who are available whenever and wherever they are needed via live video conferencing.
